However, exceptions are allowed and PBV units are not counted against the 25 percent per project cap if the units are excepted units in a multifamily project because they are specifically made available for elderly and/or disabled families as yours are, or families receiving supportive services (also known as qualifying families). • The unit type for each of the 16 units will be one bedroom • The PBV HAP contract term will be fifteen (15) years, with the Vacancy Payment option stricken per DHA policy. Objective 2. Improve the quality of life and economic vitality; promote self-sufficiency and the use of asset development for individual households.

The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: “To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing ...” Use the chart provided to specify each fair housing goal from the PHA’s AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction’s initiatives to affirmatively further fair housing that require the PHA’s involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.
